## **PRESS RELEASE**

### **SOL Group: the new official website is online: [www.solworld.com](http://www.solworld.com)**

SOL Group's new official website [www.solworld.com](http://www.solworld.com) is online (it substitutes [www.sol.it](http://www.sol.it)).

The new website, with more details and a charming design, presents all regulatory and official information relevant to the Group, with special sections dedicated to sustainability, investors and shareholders.

Moreover, it shows the SOL Group various activities with specific links pointing to proper websites and in particular to [www.sol.it](http://www.sol.it) (reference website for technical, medicinal and pure gases) and to [www.vivisol.it](http://www.vivisol.it) (reference website for home care services).

SOL is an Italian multinational Group dealing in Europe and in India in two separate fields: manufacturing, applied research and sale of technical, medicinal and pure gases (Technical Gases Area), and Home Care Assistance (Home Care Area).
