

PRESS RELEASE

SOL Group carries on the international expansion strategy in the home care sector in which it operates with VIVISOL companies.

Strengthening of the German presence with the purchase of 100% of the German company Profi Gesundheits-Service GmbH.

SOL Group - multinational operating both in the technical, industrial and medicinal gases sector, and in the home care sector, with its companies bearing the "VIVISOL" brand - announces that it has strengthened its presence in the German home care field, through a new acquisition.

Following up three purchases achieved in the last three years, Company Vivisol Deutschland GmbH, entirely controlled by SOL S.p.A., has acquired 100% of the German company **Profi Gesundheits-Service GmbH**, a company operating in the enteral nutrition sector, in nursing for tracheostomy and bedsores, in the area of Rheinland-Pfalz and Northern Baden-Wuerttemberg. The acquisition was finalized at market prices in line with similar transactions. Further financial details on the transaction were not disclosed.

In year 2021 **Profi Gesundheits-Service GmbH** achieved a total turnover of approximately 3.6 million Euros, with a staff of 30 employees and over 1,700 patients.

Aldo Fumagalli Romario, SOL Group Chairman and CEO, commented: *"Vivisol continues its strategy of expanding specialized intensive home care services by supporting VIVISOL Intensivservice GmbH with the new company **Profi Gesundheits-Service GmbH**, operating in Rheinland-Pfalz and Baden-Wuerttemberg, with the target to consolidate its position on the German market."*

SOL is an Italian multinational Group operating in Europe, Turkey, Morocco, Brazil, India and China in two main business sectors: production, applied research and trade of industrial, medicinal and pure gases (Technical Gases Division) and in oxygen and respiratory related home cares (Home Care Division).
